

Cornhusker Council Wood Badge Scholarship Request

APPLICANT'S INFORMATION

Name _____ District & Unit Number _____
Home Address _____
Email _____
City _____ State _____ Zip _____
Home phone # _____ Cell phone # _____

Please give a brief description on how you will use Woodbadge training to benefit scouting:

Amount of scholarship request \$_____. (Up to 50% of the course fee may be requested although smaller scholarships can be shared with more participants)

You will be informed of scholarship receipt before the registration deposit needs to be made. It is expected that scholarship recipients will pay for the course deposit (as required as part of the registration process) before Scholarship Funds will be applied.

Please note, only one scholarship can be provided per family or Unit (Pack, Troop, Team, Crew)

Have you checked with your unit, charter organization, or employer to see if they will help with your registration fee? The VFW and AFL-CIO both have scholarships available.

PAY IT FORWARD. Wood Badge scholarship funds are generated by donations from past Wood Badge participants, in conjunction with Council or other events. Proceeds from these events provide the funding for these scholarships. It is appreciated if you would support the scholarship effort for future courses by attending and participating in these events.
