To provide our youth the best possible Scouting experience requires a significant investment. The annual Friends of Scouting fundraising campaign helps secure the operating funds needed in order for our Council to continue to provide you and your Scouts the best Scouting programs.

Examples of the programs and services offered to your unit are: trainings, insurance, program helps, camping facilities and programs and council and district activities to name a few.

As you plan your program for the coming year, please include a Friends of Scouting presentation in your unit’s calendar. In order to qualify for the unit incentive, program the presentation must take place between December 1st and April 30th. Ideal settings for the presentation would be the Blue and Gold Banquet or a Troop Court of Honor. A District Scouter will come to your unit’s meeting and make the presentation, Audio/Video may be needed. A typical presentation only takes 15-20 minutes.

Please return the form below no later than the 2019 December Roundtable or mail it to your district executive.
