

Camp Cornhusker: A Great Camp, A Great Bargain!

As we gear up for another great season of resident camping and high adventure experiences let's get down to the real question of the cost of the camp experience.

The Cost of Camp has gone up, and I am sure many of you want to know why? The plain truth is that the cost to operate camp goes up every year, just like everything else in the economy.

The Cornhusker Council Strives to offer the Best possible experience for the money. Let's take a comparative look over the cost of camp for the last three years

The Cost of Camp Cornhusker over the last three years.

Year	Early Bird	Regular	FOS Discount early bird/	FOS Discount regular
2017	235.00	260.00	211.50	234.00
2018	255.00	280.00	229.50	252.00
2019	280.00	300.00	252.00	270.00

In 2018 when the full price for a youth to go to camp was \$280, it cost the Cornhusker Council 337.00 per youth that attended Camp to provide the program. Keep in mind that many units are able to take advantage of not just the Early bird rate but the FOS achiever Discount as well (\$229.00 per youth). I think that these numbers speak for themselves in what kind of bargain a week at Camp Cornhusker is.

This year's price increases are as follows: early bird went up 25.00 regular price went up 20.00

If a Scouts BSA unit hit's their FOS Goal and takes advantage of Early Bird registration a youth pays Only \$252.00 for camp (only up \$40.50 from that same level in 2017!)
