

An aerial photograph of a vast agricultural landscape. The foreground is dominated by rows of young green crops, likely corn, planted in a grid pattern. The rows curve gently across the field. In the middle ground, there are different shades of green, suggesting various types of crops or perhaps a mix of fields. The horizon is flat and distant, with a few small structures or trees visible. The sky is bright blue with scattered white and grey clouds.

# Welcome

April Salt Valley Roundtable  
Presentation Slides

# Agenda:

Welcome: Check In, Mailbox, Midway  
Opening

Hot Topic: Created to Serve, Food  
Drive

Safety Moment: Help Youth Build  
Resilience

District Chair - Jim

District Commissioner - Bill

District Executive - Drew

Cub Scout Breakout: Camp & SAFE

Scouts BSA Breakout: Camporee,  
Recruitment, Youth Led Leadership

## Hot Topic: Created to Serve

*"Do a good turn daily."*

"Service" has always been a part of the scouting movement.

- ❖ During WW1 & WW2 Scouts sold Liberty Bonds, collected resources and served as messengers
- ❖ In 1971 Scouts collected a million tons of trash for the "Keep America Beautiful" campaign
- ❖ In 2025 Scouts planted trees at Philmont after a fire devastated part of the camp.
- ❖ Scouts continue to reach out and help local and national communities across America.

# Hot Topic Created to Serve

Some ways to serve the chartered organization:

Some ways to serve the community:

# Hot Topic: Created to Serve

*"Do a good turn daily."*

## ***Ways to Serve:***

### *Chartered Organization:*

- Pick up trash, rake leaves, organize refreshments at an event

### *Community:*

- Perform Flag Ceremonies, Provide Disaster Recovery Help

### *World:*

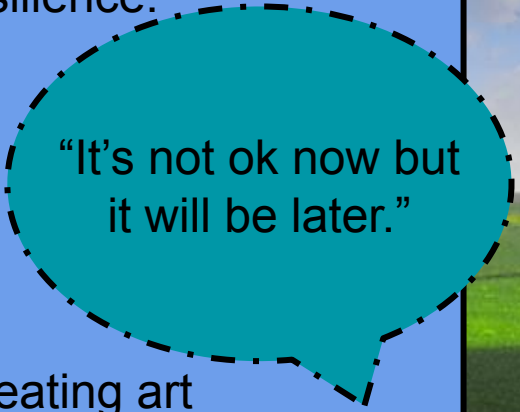

- Make Animal Habitats, Maintenance Projects for Campgrounds

# Safety Moment: Helping Youth Build Resilience

**Resilience** - the ability to adapt well in the face of hard times. As leaders we have the opportunity to help the youth we serve learn the skill of resilience.

## How to Build Resiliency:

- ★ Connect to your Community: Family, Friends, Neighbors
- ★ Create a Hassle-Free zone
- ★ Routine: Consistency help reduce stress
- ★ Express Yourself: Talking to trusted people, journaling, creating art
- ★ Help Others: Gives you something else to focus on and some perspective
- ★ Remove yourself from stress: take a break from news, phones, social media

“It’s not ok now but  
it will be later.”

## Training Committee:

- § Outdoor Preparedness – last weekend in August
  - § Units need BALOO trained adults
- § Key 3 – Reminder to review Training reports on my.scouting
  - § SYT and position trained
- § SBSA Leaders – Promote NYLT
  - § Encourage Scouts 13+ and First Class to participate
  - § Unit visits possible

# Online Sale: Store Front and Digital Sale Chiefs

To sign up your unit please go to this link:

<https://www.cornhuskerCouncil.org/digital-commit/page.html>

Have the person who will be the Cyber Commerce Chief do this for your unit. Once they fill in the info they will receive an email with further instructions.

## SAFE Project Tool Use

The safety of our Scouts, volunteers, employees, and communities is our top priority. This document outlines several minimum guiding protocols that adult leaders and other volunteers must consider for Scouting service projects that include the use of tools. It is not intended to cover the use of tools integrated into advancement requirements (i.e., merit badges, handbooks, or adventures).

*If it is not practical to meet these protocols, do not conduct the activity or service project.*

[S.A.F.E. Checklist](#)

# S.A.F.E.

## S= Supervision

- Qualified adults on site
- Adults have knowledge, skills and abilities to support the project

## A=Assessment

- Check area for hazards
- Provide Personal Protective Equipment (PPE)

## F=Fitness and Skills

- Lions and Tigers cannot use tools during service projects.
- Consider age and mental, physical, emotional, and social maturity of your scouts

## E=Equipment and Environment

- Any work above 4ft is prohibited for any youth
- Work requiring ladders only for older youth (BSA, Venturing, or sea Scouts)
- Work below grade that includes trenching or excavations (2ft or more deep) prohibited
