Dear Parents, Leaders, and Scouts:

We are excited to present to you our summer 2026 Leader's Guide. In our guide you will find our daily schedule and other important information to prepare you for camping with us in 2026! Merit badge schedule will be available prior to merit badge registration January 1st of 2026.

Camp Cornhusker has been the Cornhusker Council's camp since 1956. This camping season we are celebrating our 70<sup>th</sup> anniversary! We have a fantastic first year camper program to help your Scouts achieve the rank of First Class. We also offer a wide selection of merit badges to your Scouts from camping to robotics and kayaking to range and target activities. For those Scouts who have done it all and need some high adventure in their own backyard, we have the opportunity to provide an ATV Safety course, C.O.P.E., and Cornhusker's Advance Range and Target Activities program.

Don't forget about our Scouter Retention program - Mountain Man! We encourage all of your returning Scouts and Scout Leaders to sign-up and participate in the Frontiersman, Voyager, and Mountain Man Programs which allows all to experience a day in the life of a true Mountain Man.

We are thrilled for the upcoming summer and cannot wait to have you join us! Please feel free to reach out to me at any time for anything!

Yours in Scouting,

# PROGRAM DIRECTOR

## WELCOME

Dear Scouting Family,

Greetings from Camp Cornhusker as we celebrate our 70th anniversary! It is my absolute honor to welcome you and your unit to the 2026 summer camp season at Camp Cornhusker! We have an exciting week planned that pays tribute to the past, present, and future of Camp Cornhusker. I am beyond excited for another summer filled with fun, learning, and challenges that aim to leave a positive impact on all who choose to camp with us.

This summer will be my ninth summer serving as Program Director here at Cornhusker. Developing programming, creating lifelong memories, establishing friendships, and serving the youth and adults who call camp “home”, has been the greatest honor of my life! Out of all of my travels, Camp Cornhusker has become my “home away from home”.

As your Program Director, I commit to you that I will work tirelessly to ensure that each person who comes through our front gates, whether returning to Cornhusker or entering for the first time, has a memorable experience. As we strive for continual improvement, we have taken your feedback to heart. We are committed to delivering the best camp experience around!

At Camp Cornhusker, we believe that Scouting and a summer camp program are transformational. We want to be part of your story and help you be the best you can be.

To those who are returning to Camp Cornhusker, “Welcome Home.” To those joining us for the first time, it is my hope that Camp Cornhusker becomes “your home away from home”!

Yours in Scouting, Thomas Bucks

# Camp Overview

## Summer Camp Experience

Here at Camp Cornhusker, we pride ourselves on the exceptional quality in which we provide the Scouting Program to each and every person that attends our camp. Going to summer camp is something that is a unique and life changing opportunity, and we hope that the experiences at Camp Cornhusker are something that will stay with them for the rest of their lives.

## Pre-Camp Information Sessions

We have worked hard to make sure that Cornhusker 2026 is the best year of summer camp yet! With that being said, we want to answer any, and all, questions that leaders, parents and Scouts may have. Let us know if we can schedule a time where a Council or Camp Staff member can come to your unit for a Q&A session.

## Camp Accreditation

Camp Cornhusker is accredited each summer as part of the National Camp Accreditation Program. This means that the camp has met strict guidelines in health, safety, and programming. We are prepared for emergencies and understand that Scouts and Scouters are trusted in our care.

# MOUNTAIN MAN

## PROGRAM

### Older Scout and Adult Leader Primitive Camping Experience

The Mountain Man Program is broken down into five distinct levels, based on years at Cornhusker.

- 1<sup>st</sup> Year: Pioneer
- 2<sup>nd</sup> Year: Explorer
- 3<sup>rd</sup> Year: Frontiersman
- 4<sup>th</sup> Year: Voyager
- 5<sup>th</sup> Year: MountainMan

### Camper Retention Program

"The Mountain Man" Program is Camp Cornhusker's retention program. The goal of this program is to create a true sense of loyalty to Camp Cornhusker and the high ideals of Scouting, outdoor program and heritage for which it has stood since the camp's creation in 1956.

Participants will spend time out at the outpost learning what life on the frontier was like in the 1800s. They will cook their meals over a fire, sleep under the stars, practice their forging skills, and craft Indian Lore.

Participation in the Mountain Man Program begins your 3<sup>rd</sup> year as a camper (either at Cornhusker or 3<sup>rd</sup> year overall at any Scouts, BSA camp).

#### Please Note:

- Participants in their 3<sup>rd</sup> year (Trial of the Frontiersman) will spend their evenings on the frontier. They will be back in main camp to take Merit Badge Classes. These participants will sign-up for Merit Badges.
- Participants in their 4th/5th year (Voyager/Mountain Man) will spend their week out on the frontier. They will have an option to participate in some other activities around camp towards the end of the week.
- Monday-Tuesday: During the day, Scouts will participate in Cornhusker Sharpshooters. They will return to main camp for showers before heading back to the frontier for evening program.
- Wednesday-Friday: Scouts have the ability to participate in other high adventure activities during the day before returning to the frontier for evening program.

#### These include:

Golf Merit Badge, Canoeing/Kayaking Excursion, Biking Excursion, C.O.P.E.

The GEE-GAW is the recognition part of the Mountain Man Program and designates the achievements of both Scouts and leaders at camp. First time campers at Cornhusker will receive their blank Gee-Gaws and year beads at Rendezvous. Returning campers please do not forget to bring your Gee-Gaw back to get it updated!

Please refer to the separate Mountain Man Guide located on the Council website for all details on the program and all its meaning. It also includes the instructions for making sure your youth are properly recognized.

# THE LONG TOOTH CIRCLE

## Adult Alumni Association Organization

The Long Tooth Circle (LTC) is Camp Cornhusker's adult alumni association organization. The Long Tooth Circle camp meeting will take place Wednesday night during Rendezvous. Only the members of the Long Tooth Circle will gather and go through the ceremony, which stresses the ideals of Scouting. Helpful suggestions will be aired concerning camp operations for that week and taken into consideration by the camp staff. Advancement may be awarded at this time and new members admitted.

# SWIM CHECKS

All Scouts and Leaders attending Summer Camp must take the Scouts BSA swim check to enter the water. The swimming ability of all Scouts and leaders must be evaluated annually before they can take part in any aquatics activity, per BSA policy as contained in the Guide to Safe Scouting.

The unit may also hold their own “unit swim check” in accordance with B.S.A. Standards, <https://filestore.scouting.org/filestore/outdoor%20program/aquatics/pdf/430-122.pdf>. Units that have already completed their swim checks before arrival to camp should present a copy of the results to the Aquatics Director. The aquatics staff reserves the right to re-check any Scout at camp.

This can really streamline your Sunday afternoon!

Any Scouts or Leaders that didn't do an early swim test will do so on Sunday. Upon completion of your swim test the appropriate buddy tag will be placed on the out-board. All scouts and leaders will be classified according to their swimming ability on the following scale: non-swimmer (white), beginner (red), and swimmer (blue).

\*\*To participate in any aquatics merit badges or activities, scouts must complete the Swim Test prior to arriving at their selected classes. \*\*
