## SCOUT ANNIVERSARY DAY - SCOUT SUNDAY, FEB 8<sup>TH</sup>

Chartered organizations can celebrate Scout Sunday on any day in February that best serves the chartering partner. Some organizations choose the Sunday that falls before February 8 (Scouting Anniversary Day) as the date to recognize the contributions of young people and adults to Scouting. This year, Scout Anniversary Day falls on Sunday, Feb 8th. For others, Scout Sunday is celebrated on the second Sunday in February. It is permissible for a local church to celebrate on the day most acceptable to the pastor and congregation.

Ideas - wear your uniforms and sit together, serve as ushers, lead a prayer and serve as a liturgist, set up a Scouting display in the foyer, ask members of the congregation who were Scouts to stand up, hold your troop's Court of Honor or Pack's award ceremony immediately following the service, or formally present your unit's charter to your place of worship. These activities not only honor the faith of Scouts but also provide an opportunity for community engagement and service.

## IN MEMORIAM - ANNA RUTH MILLER (JULY 28, 1924 - JANUARY 10, 2026)

We were saddened to hear of the loss of long-time Scouter, Anna Ruth Miller. She was born in Espyville, PA and grew up on a dairy farm with her four brothers and one sister. Growing up on a Pennsylvania dairy farm with a variety of livestock, she learned to love animals, especially horses, which she trained and rode. The farm had large gardens and crop fields where she learned about plants and became an expert gardener. The love of gardening stayed with her all her life. She helped in tapping maple trees on the farm and making maple syrup and candy was a fall activity. They sold and shipped maple syrup to many places, including Nebraska. She met her husband, Melvin Miller, who was in the US Air Force. They moved to Lincoln when he was stationed at the old Lincoln AFB. During this time she became a Den Leader for her son's Cub Scout Pack. Ruth always preferred outside work to inside work and Scouts lovingly knew her as "Mother Nature" as she taught them to forage for edible plants, roots and berries to survive the outdoors. Ruth was active in Scouting for over 55 years, where she served in numerous Unit, District, and Council positions. Ruth was a District Award of Merit recipient and was awarded the Silver Beaver Award in 1992.

Ruth was a woman of deep faith and an active member of Christ Temple Mission Church in Lincoln, NE for over 70 years, where she served many roles in the church. Ruth dedicated her life to Jesus and began a life of service. From helping with services at the City Mission, picking up children and elderly for church, to choir member, Communion Steward, playing the piano or organ, to playing her harmonica for special music. She grew a church garden for all to partake.

Ruth was very musical. She played the piano, violin, mandolin and harmonicas and of course she whistled. At home on rare occasions, they would gather around the piano to sing hymns.

Ruth worked many jobs to help support her family. She worked for a paint company that had a whistling choir of which she was a part. She could whistle just about anything including many varieties of birds. She worked for a time as a night detective for a small firm. But her heart was in nursing. Ruth worked in many nursing homes and eventually became a geriatric nurse doing private duty nursing in homes and nursing homes.

Ruth understood Jesus' command to feed the hungry, clothe the naked, visit the prisoners, and the sick. It was not unusual for Ruth to take in whole families in need who had been burned out or down on their luck. It was not unusual for her to feed a homeless person on her back porch. She helped countless people by sharing whatever she had. When her teenage children asked her why she helped people who would never help her in return, she always said, "What would Jesus do?" This was long before the WWJD slogan became popular. She was involved in Prison Ministry at the State Penitentiary for over 60 years. Ruth was involved in Legal Aid Society where she eventually became president. Ruth and Velma Jones started a ministry called Food Net to help feed those in need.

## ANNUAL HEALTH AND MEDICAL RECORD

The Scouting adventure, camping trips, high-adventure excursions, and having fun are important to everyone in Scouting—and so is your safety and well-being. Completing the Annual Health and Medical Record is the first step in making sure you have a great Scouting experience.

Scouting America's Annual Health and Medical Record (AMHR; often known as the "medical form" or "annual physical") is designed to help ensure that all participants in the Scouting program are healthy enough for the adventure of Scouting. It is not intended to limit participation but to inform and protect.

To keep up with possible changes in health status, the form needs to be updated annually or when a participant's health information changes. The record expires in one year.

The four-part form serves as a single place to document a participant's medical history and recent medical examination. It also provides consent for treatment in the event a participant needs emergency care while traveling away from a parent or guardian.

Parts A and B should be completed for all participants and Scouting leaders. Part C should be completed by a licensed health care provider (M.D., D.O., N.P., or P.A.) before the participant attends any Scouting event that is longer than 72 hours, such as a summer camp, trek, or multiday excursion.

The optional "High Adventure Risk Advisory" (formerly known as Part D) needs to be shared with the examining medical provider during the pre-participation examination to explain known health risks for each of Scouting America's four high-adventure bases. Additionally, your council may develop a risk advisory specific to your council camps or other properties or events.

The forms should be maintained by a designated leader. To assure privacy, the forms should be carefully stored and used only as needed to provide for planning and rendering care. The AHMR should not be scanned, stored, or sent electronically except as specifically directed for a Scouting America national event such as the national jamboree or NOAC.

Neither Scouting America nor the Annual Health and Medical Record are subject to the Health Insurance Portability and Accountability Act (HIPAA). A Scout is Trustworthy: Records and sensitive information should be maintained in a private manner.

## YPT EXPIRES, MAY 31<sup>ST</sup> 2026

As a reminder, the "old" youth protection training expires May 31, 2026. Ensure you complete the new Safeguarding Youth Training prior to that. This is critical for timely completion of your unit's renewal in July.

## SUPPORT YOUR COUNCIL ([info@cornhuskercouncil.org](mailto:info@cornhuskercouncil.org))

### FRIENDS OF SCOUTING 2026 CAMPAIGN & 2026 GOLD STAR UNIT

For 116 years, Scouting has immersed young people in the lives of their communities - teaching them practical skills to have fun in the outdoors, encouraging them to serve others and developing their leadership skills so they continue to make a difference as they grow. The 2,000 plus Scouts of the Cornhusker Council are tomorrow's leaders. Our communities are better places because of the effects of the Scouting program, but we all know that Scouting doesn't just happen on its own. It takes the dedication of our adult volunteers, who share their time, talent, and energy with our Scouts, and it takes financial support from families, supporters and the community.

2026 FOS Campaign

This funding comes first and foremost from the Friends of Scouting charitable giving campaign and the Council membership fee (new in 2026). Those two programs total less than one quarter of the delivery cost. Additionally, the Council relies on other sources of income to provide our annual operating budget. Popcorn sales provide about 25% of the Council's annual revenue. Camping/Activities add another 24%, while foundations and other miscellaneous revenue account for another 20%. That leaves about 31% of the Council's financial needs to be provided through direct fundraising - our annual Friends of Scouting campaign and other special fundraising events.

#### Become a Gold Star Unit

Units qualify for this program from the date they complete their Unit Family FOS Goal, and the other qualifiers as listed below, if the presentation is held, the unit goal is met, and paperwork is turned in and processed between November 1st, 2025, and April 25th, 2026. They are eligible to receive the incentives until March 31st of the next calendar year. Of note, Resident Camp discounts must be used in the year earned calendar.

#### *How do you qualify for the Gold Star Unit Finance /performance Incentive Program?*

Currently our unit FOS goal is based on your December 31st, 2025, youth membership multiplied by \$100. It is critical that every family participates to the best of their ability and that each unit strives to grow.

To achieve Gold Star unit status in 2026 you will need to do the following:

- Have completed an in-person detailed coaching meeting with your Unit or District Commissioner in the first quarter of the year (By April 1)
- Achieve a 90% or higher Full trained leader status for the unit by April 25
- Complete Unit online commitment form for the 2026 Council Fundraising: Packs must commit to 2026 Fall popcorn Sale - Troops and Crews commit to either 2026 Fall Popcorn Sale or 2026 Spring online sale.
- You can commit to Popcorn and the Spring online sale here: [Sign up to sell Popcorn](#)
- Meet or exceed your Unit Family FOS goal in 2026 before April 25,

## COUNCIL ACTIVITIES AND NEWS

## ONLINE UNIT FUNDRAISER, SPRING 2026

You may have seen the digital, on-line sales campaigns we held over the Holidays (fudge, wreaths, and Stuckey's pecan candy) and for Valentines Day (See's Candy). We plan on offering this opportunity for units to hold a Spring on-line sale using this new digital product sales platform. This is a great opportunity for Scouts to earn money for camp! The specific product or vendor has not been selected; however, we are working on adding a local Nebraska vendor to the approved list.

What are the benefits in participating in an on-line sale? Your unit nor your Scouts don't handle any inventory! Your unit and your Scouts build their online storefront and simply share the link out and invite people to support Scouts. Once the order is made, the product is shipped directly to them from the vendor to the buyer. No product to handle! Timeline:

- Now through March: Unit sign up
- April: Training and set up Unit and Scout storefronts
- May: Sale dates

If your unit would like to participate in the digital, on-line sale, fill out the on-line form at the following link: [page : Digital Commit : Cornhusker Council, BSA](#)

## ADULT LEADER TRAINING

Adult leader training is a cornerstone of our Council's ability to deliver a safe, meaningful, and values-driven program for youth. Well-trained leaders are better equipped to understand the aims and methods of Scouting, creating environments where young people can grow in character, citizenship, leadership, and personal fitness. Training ensures that volunteers, many of whom come from diverse backgrounds and experiences, share a common foundation in program delivery, youth development, and the mission of Scouting.

Equally important, adult leader training promotes safety, consistency, and quality across all units. Through structured education in youth protection, outdoor skills, and effective leadership practices, trained adults can confidently guide activities, manage risk, and respond appropriately to challenges. By investing in adult leader training, Scouting America strengthens its programs, supports its volunteers, and ultimately provides youth with the positive, life-shaping experiences that define Scouting.

**Basic Adult Leader Outdoor Orientation (BALOO) training** - almost 31% of our Packs (14 out of 46) do not have a BALOO trained leader according to the latest training report. BALOO is required to take your Cub Scout Pack on overnight camping trips. Kudos to Pack 223, Pack 25, and Pack 36 for leading the Council in BALOO training!

**Adult Leader Training (all leaders, all positions)** - Kudos to Troop 36 for having 92% of its leaders trained! Troop 36 leads the Council! 51 Units have 0-49% of its leaders trained; 34 units have 50-74% of its leaders trained; and 9 units have 75-89% of its leaders trained.

**Direct Contact Leader Training** - only 41.7% of our Direct Contact Leaders are trained. We need your help in improving these numbers. Direct Contact Leader positions include:

- Assistant Cubmaster
- Assistant Scoutmaster
- Assistant Den Leader

- Cubmaster
- Den Leader
- Explorer Post Advisor
- Explorer Post Associate Advisor
- Scoutmaster
- Venturing Crew Advisor
- Venturing Crew Associate Advisor

**Safeguarding Youth Training** - we have made significant gains in the SYT and are now in compliance with National standards! Thank you, leaders! 98.24% of our adult leaders have completed SYT, a significant improvement from three months ago! Of note, the "old" YPT training expires for everyone on May 31, 2026.

Several adult leader training courses are offered over the next few months and are included in this newsletter. If you have any questions, contact your District Executive or the Council Training Chair, Mike McCollough ([scoutermike14@gmail.com](mailto:scoutermike14@gmail.com))

- Map and compass navigation
- Fire-building and cooking
- Using woods tools safely
- First aid

## WOODBADGE 2026! APR 10-12 AND APR 25-26, 2026

*Welcome to Cornhusker Council Wood Badge Course 5-324-26-1!*

Wood Badge is the premier adult training in Scouting America. In Wood Badge you experience the scouting program, learn leadership skills, and practice teamwork in the patrol method, all while living the values of scouting.

Created by Lord Baden-Powell at Gilwell Park in England, today Wood Badge is offered around the world. Across the two weekends of Wood Badge, you begin your experience as a Cub Scout and cross over to a Scouts BSA Troop, gaining the perspective of a youth and deepening your understanding of the Scouting America program. While portions of the course take place camping, the focus is not outdoor skills and scoutcraft, but rather on leadership and team building. You learn both the theory of leadership and the tools of leadership in ways that not only strengthen your contribution to scouting, but also to your personal and professional life. Don't be surprised if you find yourself applying lessons learned in Wood Badge to improve the communication and team effectiveness in your day-job as well!

Past participants explain why you should take Wood Badge: <https://youtu.be/MEPvnpMLBA0>

### Objectives of Wood Badge

- Enable you to view Scouting globally, as a family of interrelated, values-based programs that provide age-appropriate activities.
- Help you recognize contemporary leadership concepts that map to the scouting movement.

- Apply the skills learned as a member of a successful working team, both in and out of scouting. Revitalize your commitment to and recharge your enthusiasm for Scouting by participating in a shared, inspirational experience.

## Practical Phase

The practical phase consists of five days of instruction across two weekends. During these two weekends you will become a member of a group, participate in presentations, learn skills, become an effective team, and have a great time doing it. The course is accessible to adults across the full range of ages, experience, and abilities. The following themes are covered in the practical phase:

- Living the Values—personifying the values; setting the example
- Growing—knowing and growing yourself first with a commitment to continuous improvement and lifelong learning
- Connecting—with other people
- Guiding—focusing on enabling and developing others
- Empowering—ultimately helping other people to become healthier, wiser, freer, more autonomous, and more likely, themselves, “to serve and to lead.”

Example session topics include vision, values, listening, managing conversations, leading change, the stages of team development, coaching & mentoring, servant leadership, and project planning.

## Application Phase

After completion of the two weekends, you will work on your “ticket”, which are five goals you develop for yourself during the course. You have 18 months to complete your ticket, during which you put into practice the leadership skills you have just learned. Upon completion of the Wood Badge ticket, as certified by a ticket counselor and the Scout Executive, you will be presented with the Wood Badge neckerchief, woggle, and beads.

## Participation Requirements

- Registered as an adult member of Scouting America, including current Safeguarding Youth Training
- Scouting America's Annual Health and Medical Record parts A, B, and C (which requires a physical)

## EARN YOUR RECRUITER STRIP! IT'S FREE!

The Arrow of Light badge of rank marks a major milestone in a Cub Scout's growth. The senior patrol leader badge represents one of the most important positions of responsibility in a Scouts BSA troop. And the Eagle Scout award symbolizes an incredible journey of perseverance.

But when considering the array of Scouting awards and recognitions available to young people, you can make the argument that one of them stand above all the others.

If you think about its ability to grow Scouting and introduce this life-changing program to new people, the Recruiter Strip might be the most important patch in Scouting.

It's also one of the easiest to earn.

### How to earn the Recruiter Strip

The Recruiter Strip has just one requirement: recruit a friend into Scouting.

Any youth member – in Cub Scouts, Scouts BSA, Venturing or Sea Scouts – who gets a friend, classmate or relative to sign up for Scouting can receive the red, white and blue patch.

Each Scout unit comes up with its own procedure for awarding the strip. In most packs, troops, crews and ships, the young person receives the strip the first time he or she successfully recruits someone into the unit.

Submit the completed form to the Scout Shop to receive the recruiter strip:

[250646\\_4x6\\_BoxStuffer\\_UniformOffer+RecruiterStrip\\_v2](https://www.scoutshop.org/250646_4x6_BoxStuffer_UniformOffer+RecruiterStrip_v2)

### How to wear the Recruiter Strip

The embroidered cloth strip is worn on the uniform, below the right pocket.

## REMINDER - UPDATE YOUR "PIN!"

Unit and District Leadership - please continue efforts to keep your Unit's "pin" updated in [beascout.scouting.org](http://beascout.scouting.org). The ongoing National Marketing Campaign uses this website exclusively to link up potential new members ("leads") with local units. Nationally, 50% of all leads go unanswered! Our Council does not have that problem, but we need to maintain our current level of excellence by keeping our information on this site updated. **Unit leaders, be sure to follow up on ALL leads!**

## HOW IS YOUR TROOP DOING?

Scouts BSA has an online self-assessment tool for troops. Previously, this was a PDF form, but it is now available in an online format. The program is not a patch or recognition initiative but a resource to help leaders identify their unit's strengths and challenges, providing real-time resources and relevant information to address concerns. The self-assessment should complement the Commissioners of Scouting America connection guides and serve as an effective discussion point. More information can be found [here](#):

[Troop Self-Assessments - Troop Leader Resources](#)

## GROW THE UNIT, GROW THE MOVEMENT

**Thank you**, for your continued efforts thus far to grow the Scouting movement in southeast Nebraska! Our membership goal is to serve 2,500 youth by December 31<sup>st</sup>. A few suggestions to build and keep the flow of scouts into your unit:

- \* **Continue to invite prospective Scouts to troop activities.** Look for "Normal Friend Activities" - "Bring a Friend" events in your Unit's program. You never know what event will peak someone's interest.
- \* **Update your online presence.** Make sure your contact info, meeting time, and location are current on your unit pin. Keep unit websites and social media pages up to date. Keep up with your invitation manager in [my.scouting.org](http://my.scouting.org). Contact prospective recruits in a timely manner.
- \* **Engage the parents as well as the Scouts.** We're recruiting them, too. Make sure you have a 'welcoming committee' for new parents who visit your Unit.
- \* **Work together!** If your unit isn't the right fit for your recruit, invite them to visit a neighboring unit. Everyone's contact info is on [beascout.org](http://beascout.org).
- \* **Be a presence in your neighborhood.** If no one knows you're around, they can't join you.
- \* **Always be recruiting.** Potential new Scouts are everywhere.

## CORNHUSKER COUNCIL'S 250<sup>TH</sup> ANNIVERSARY AWARD AND COMMEMORATIVE PATCH

### IMPACT 365 AND AMERICA 250

**Impact365 - Scouting's New National Service Initiative.** Scouting has always believed that service is not just what we do—it's who we are. That legacy continues with Impact365, Scouting America's new multi-year national service initiative designed to inspire Scouts, families, and volunteers to make meaningful contributions to their communities every day of the year.

**What Is Impact365?** Impact365 is a unifying platform that shines a spotlight on the service woven into every part of Scouting. Its mission is simple: Encourage Scouts to make a positive impact 365 days a year through local, flexible, community-driven service projects.

**America250** - in celebration of our nation's 250th anniversary, every unit is encouraged to complete 250 hours of community service during 2026. Whether through council projects, rank-requirement activities, family service, or simple acts of good turns, every hour counts—and every effort strengthens our communities. Start planning service projects as a council, district, unit, or family and strive for those 250 hours per unit throughout the year!

This limited-edition certificate will be available only to Scouts who achieve the Eagle rank during the 2026 calendar year. The special certificate will be issued automatically beginning February 1, 2026. No special request is required; it will replace the standard Eagle certificate for all 2026 recipients. First, the Ceremonies committee provided training and a demonstration on how a crossover ceremony works. Then, a mock OA election was held to help show how we utilize the script provided and proceed through a well-done election. Involved in this demonstration were our three-chapter chiefs and a couple of ceremonies members. Finally, our Inductions Committee explained the Elangomat position works during our Ordeal weekends, followed by the Membership committee explaining how the Nimat position works during the Brotherhood ceremony. There was plenty of fun at the event. Many thanks to the Section G-5 Leadership team for taking time out of their weekend to come join us at the event and thanks to all who attended Winter Event.

**Eagle Scout Project Request!** The Wyuka Cemetery Board of Trustees approached us with an Eagle Scout Project idea to document and map the 1-2000 Veteran gravestones that are in the cemetery. Currently, there is no documentation where Veterans are buried at Wyuka and the Board is seeking assistance so they can better honor the Veterans interred there (Memorial Day, Veterans Day, Wreathes Across America). If your Eagle candidate is interested, contact the Scout Executive (Jeffrey.johnson@scouting.org)

## SCOUT EXECUTIVE MINUTE

I want to take a moment to celebrate the spirit, service, and milestones that define Scouting at its best. The determination and teamwork of Troops who braved bitter cold to take on the challenges of the Klondike Derby is a testament to the resilience and preparedness that Scouting instills. We also pause to recognize the lasting contributions of a devoted, long-time volunteer whose impact continues beyond their passing and we celebrate a meaningful milestone as one of our former Scout Executives marks 40 years of service to the Scouting movement. Together, these stories reflect the strength of the Cornhusker Council's past, present, and future!

### Klondike Derby Held at Camp Cornhusker, Jan 30<sup>th</sup> - Feb 1<sup>st</sup>

This year's Klondike Derby challenged Scouts to put their skills—and their resilience—to the test as they camped outdoors through a cold winter weekend. Despite frigid temperatures, Scouts embraced the conditions, demonstrating teamwork, leadership, and strong outdoor skills across a variety of events. From setting up winter camps to navigating cold-weather challenges, Scouts showed confidence and determination throughout the weekend. Their perseverance was a true testament to their training and their commitment to the Scout Motto, **"Be Prepared."** The Klondike Derby proved once again that Scouting builds capable, prepared youth ready to meet challenges head-on—no matter the weather! *Photos courtesy of Troop 64, Hickman, NE*

### Anna Ruth Miller - Trailblazer, Hero, Legend

Anna Ruth Miller's more than 55 years of service to Scouting stand as a remarkable legacy of dedication, leadership, and quiet determination. At a time when women volunteers were still carving out their place in the movement, Anna Ruth was a true trailblazer—showing by example what commitment and capability look like. From her early years as a Den Mother, where she nurtured young Scouts and supported families, to her leadership on the District Committee, and later as a trusted Unit Commissioner, she served at every level with integrity and heart. Anna Ruth's influence reached far beyond titles; she mentored leaders, impacted 1000s of youth, strengthened units, and helped shape Scouting into a more inclusive and welcoming program. Her lifetime of service has left an enduring impact on countless youth and volunteers, and her example continues to inspire all who follow in her footsteps

### Congratulations, Mike Hale!
