* (use this chart if you are collecting the re-charter fees at the time of Joining, this year we will re-charter for 6 months(end of July 2021) and then do a re-charter for the new re-charter year of July 2021-2022 this puts the council re-charter on a program year as opposed to a calendar year and helps to defray the sticker shock of the new fees, giving units more time to plan fundraising as we move forward)

The New Unit Charter Fee at re-charter time will be 75.00 per unit chartered
